APPROVAL.....OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all existing rights on the source. The source of this water is the Stead Air Force Base Sewage Plant and is classified as waste water. This permit is issued with the understanding that the amount of water is limited to the amount available at the point of diversion and that no right of continuance or regularity of flow can be expected or is hereby granted.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 5.0 cubic feet per second

Actual construction work shall begin on or before May 21, 1967

Proof of commencement of work shall be filed before June 21, 1967

Work must be prosecuted with reasonable diligence and be completed on or before May 21, 1968

Proof of completion of work shall be filed before June 21, 1968

Application of water to beneficial use shall be made on or before May 21, 1970

Proof of the application of water to beneficial use shall be filed on or before June 21, 1970

Map in support of proof of beneficial use shall be filed on or before

Commencement of work filed June 19, 1967

Completion of work filed June 19, 1967

Proof of beneficial use filed June 19, 1967

Cultural map filed

Certificate No. 6370 Issued 11-1-67
